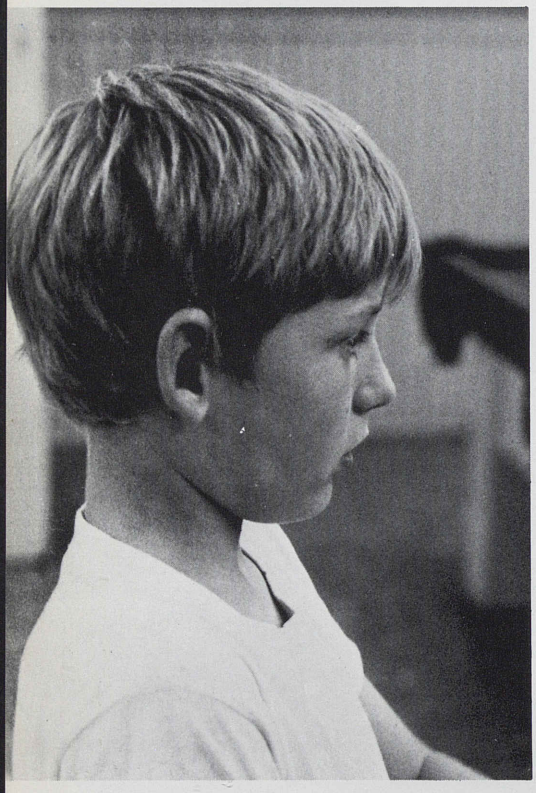
In a new environment

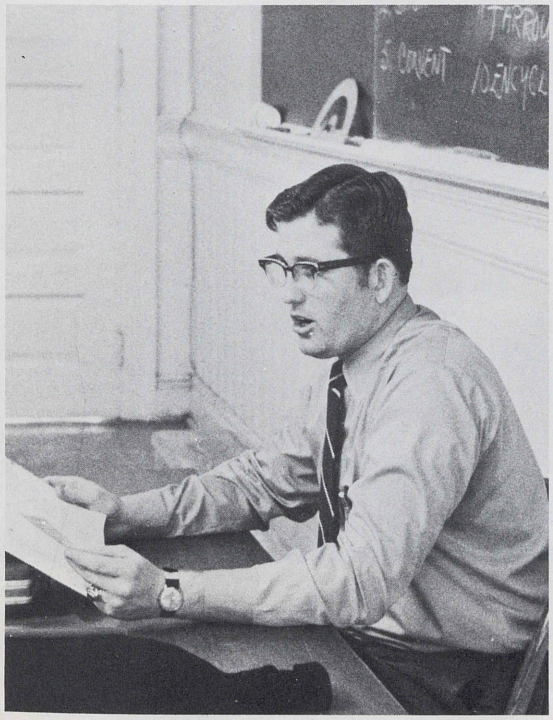
away from home

we race to the future

with old friends

and new acquaintances.





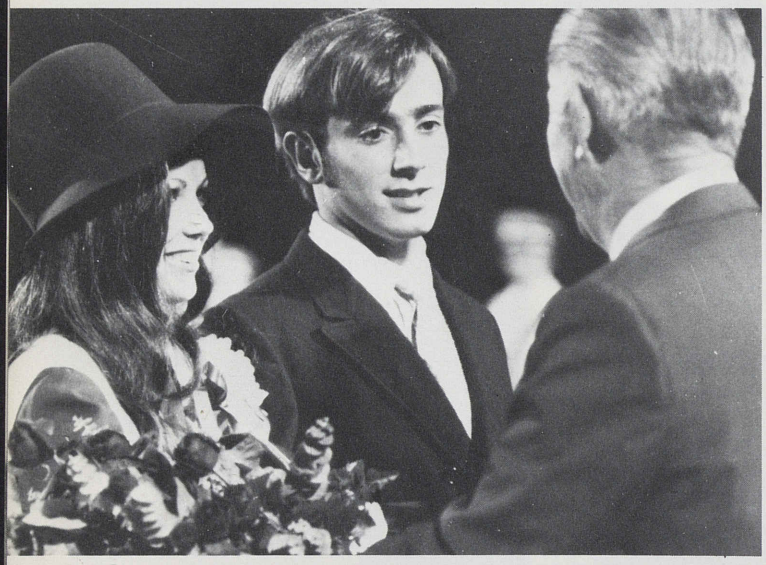
There is time to think

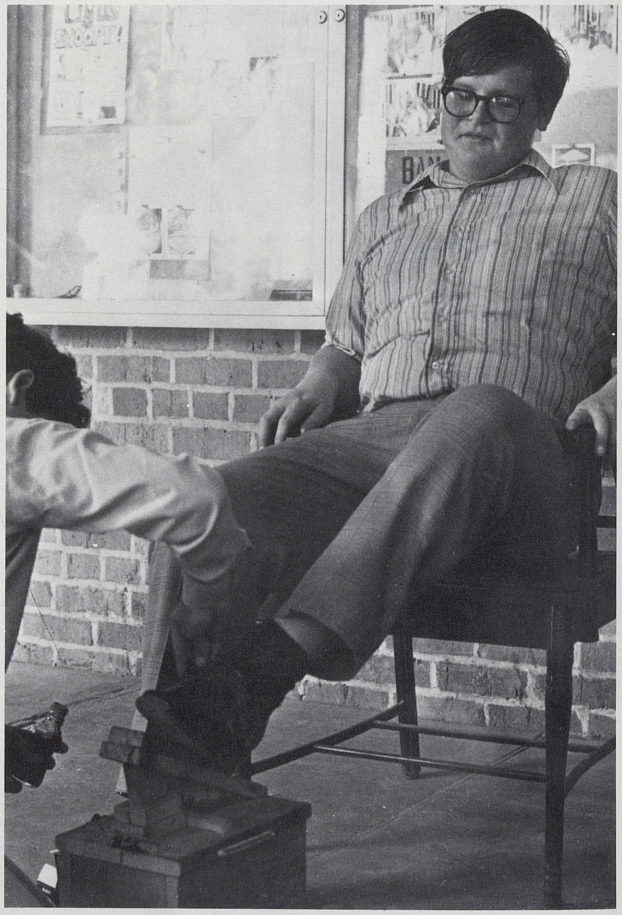
and to reflect

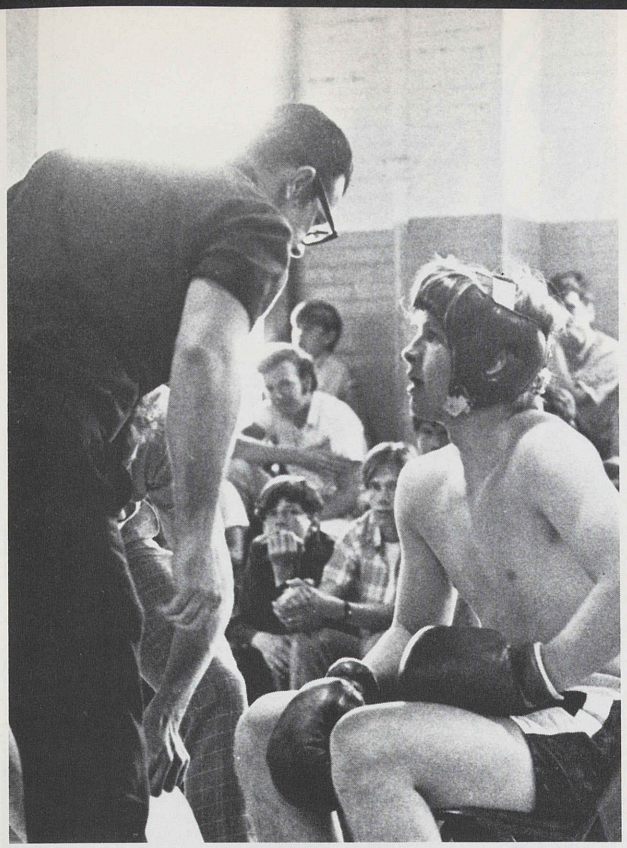
after a day of competition

both in school

and on the athletic field.



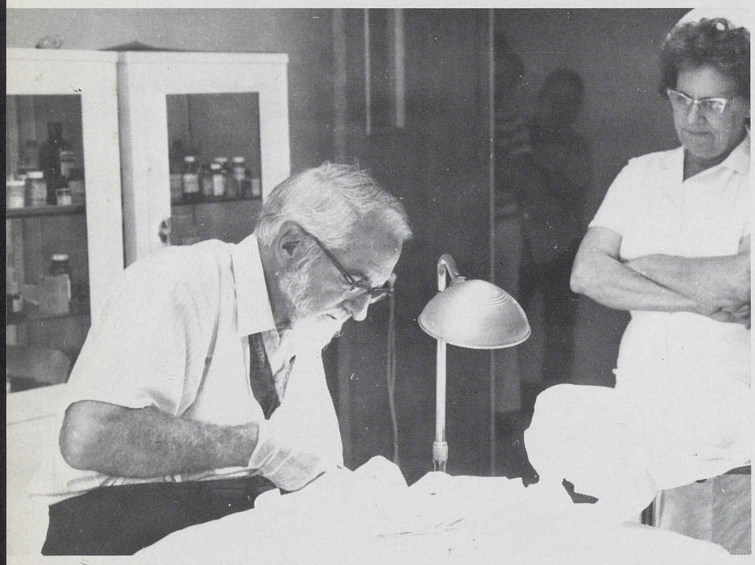


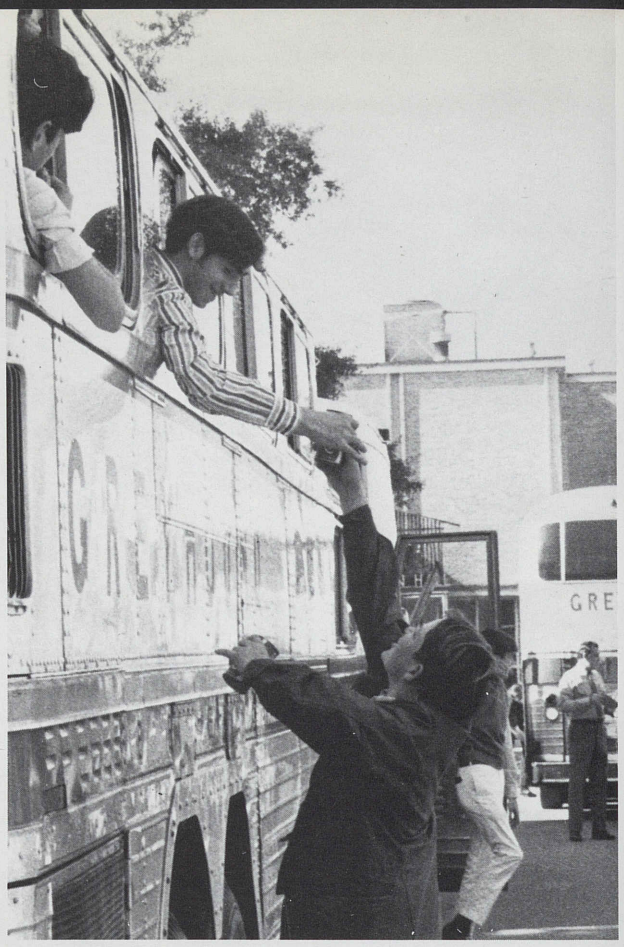


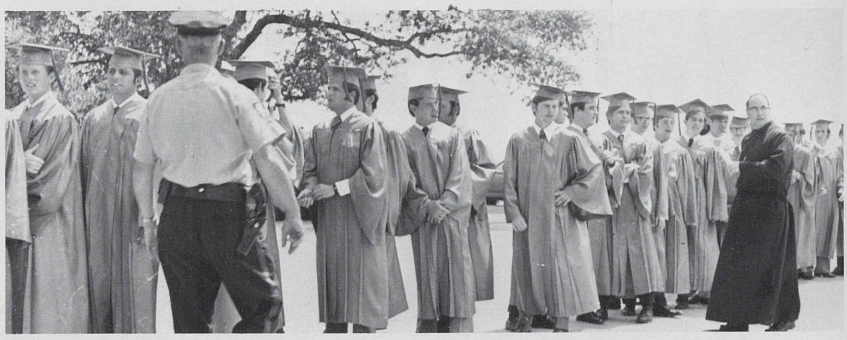
Activities bring us together

to share our joys and ourselves

with others.





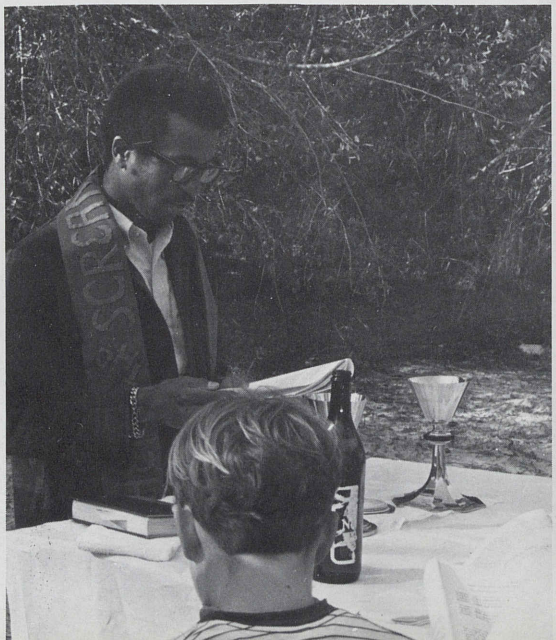


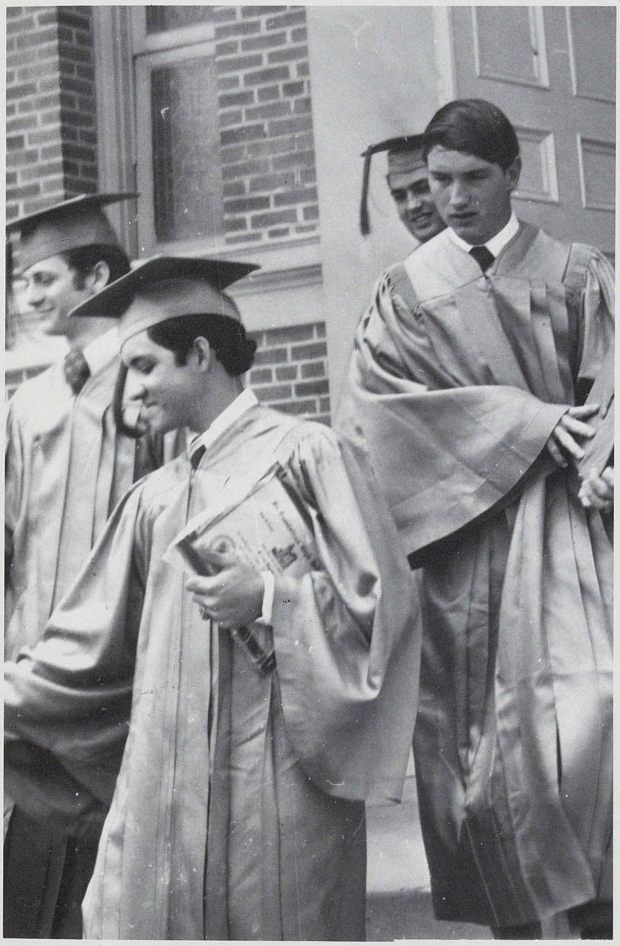
Problems occur,

yet, they are resolved.

And a time comes

to celebrate.





For then

the year ends,

joyous seniors,

gleeful underclassmen

return home

to reflect

on all things

that have passed.

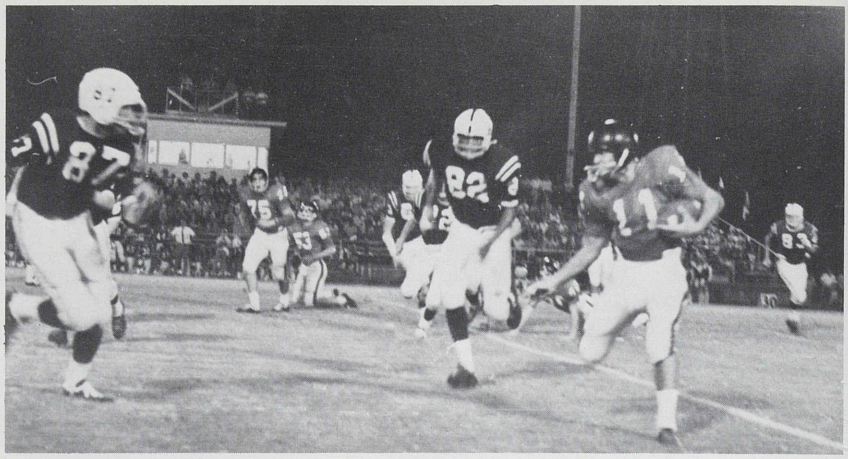
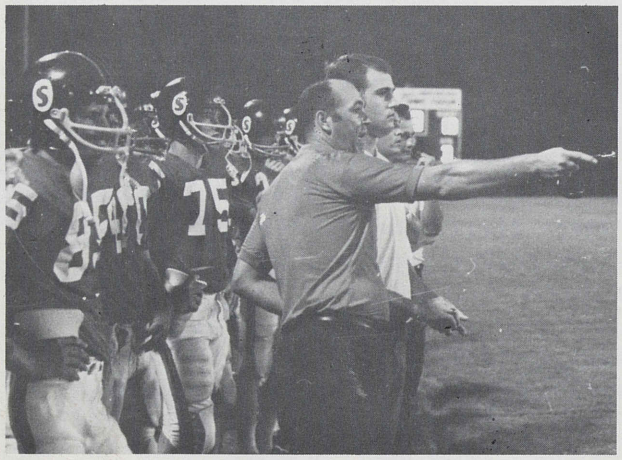
St. Stanislaus finished its 1970 season with 1 win, 7 losses, and 1 tie. Early in the year the Rocks defeated Lumberton and narrowly missed another victory against Hancock N. Central. The Rocks played tough, hard-hitting football through out the season. Outmanned in many of their games, Stanislaus always gave a determined effort to win. Undoubtedly, injuries and bad breaks prevented a better season for the Rocks.





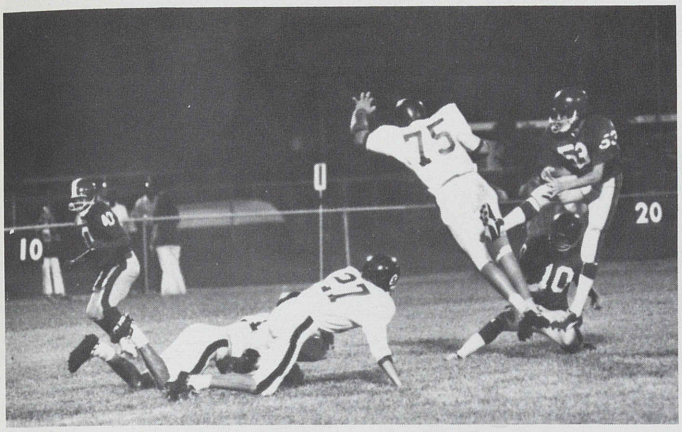
Rocks vs Lumberton

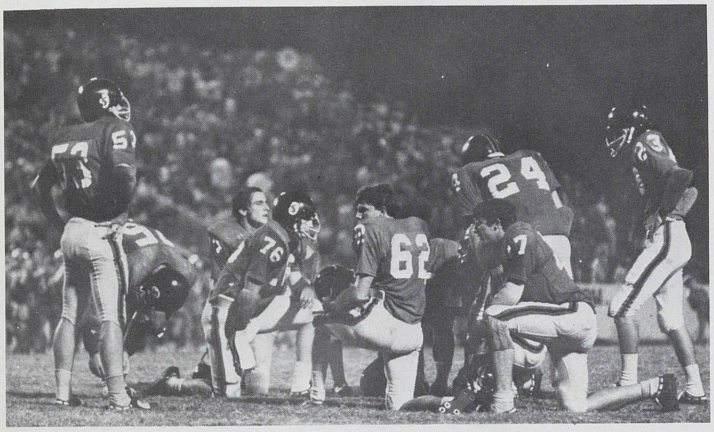
For their first game of the season, Stanislaus journeyed to Lumberton where they took the Panthers by a score of 6-2. Lumberton scored first on a safety. Stanislaus rose to the occasion and drove to the winning touchdown with only 45 seaconds left in the game.

Rocks vs H. N. C.

The Rocks exhibited a crushing running attack and a commendable passing game but were unable to subdue H. N. C., on the Hawk field. The Hawks came from behind to tie the score at 24-24 in the 4th quarter. Stanislaus was on the Hawk one yard line when time ran out.

Top: David Worrel sweeps left end.
Bottom left: Coaches Cuccaro and Jones talk over game strategy.
Bottom right: Tom Reilly (81) awaits perfectly thrown pass from David Worrel in game against Hancock North Central.





Rocks vs Harrison Central

The Rocks suffered their first defeat at the hands of Harrison Central, 42-8. St. Stanislaus' only touchdown came on a 51 yard pass late in the first half. The Rebels scored in all quarters, but had two extra point attempts blocked by the Rocks.

Rocks vs Ocean Springs

The Greyhounds of Ocean Springs scored on the first play from scrimmage and continued to pulverate the Rock defense until they had a comfortable 40-6 victory. Despite the determined effort to catch up by the Rocks, Ocean Springs dominated play in all quarters.

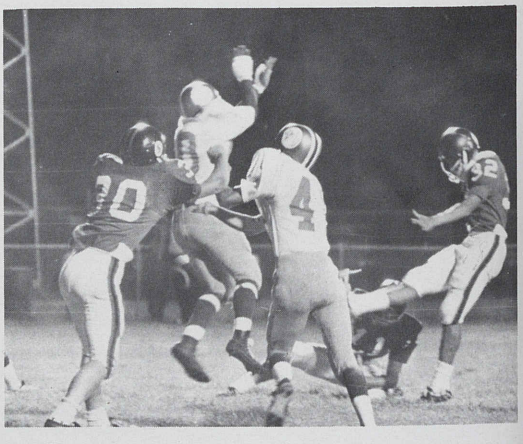
Top: Sonny Depreo (75) blocks extra point try against H. C.
Middle: Time out during Ocean Springs game.
Bottom: Don Smith (32) scampers around left end against H. C.

Rocks vs Kennedy

Stanislaus suffered their third defeat in the annual Homecoming game to Kennedy of New Orleans, 31-6. The Rocks played well early in the game being tied 6-6 at half-time. In the 2nd half Kennedy took advantage of three blocked punts and turned them into touchdowns.

Rocks vs Notre Dame

Despite a valiant effort, the Notre Dame Rebels overcame St. Stanislaus by a 30 to 0 score. The Rocks remained in contention throughout the first half but soon fell impossibly behind during the 3rd quarter. The final home game of the season was witnessed by many cheering fans who hoped for a Rock victory.

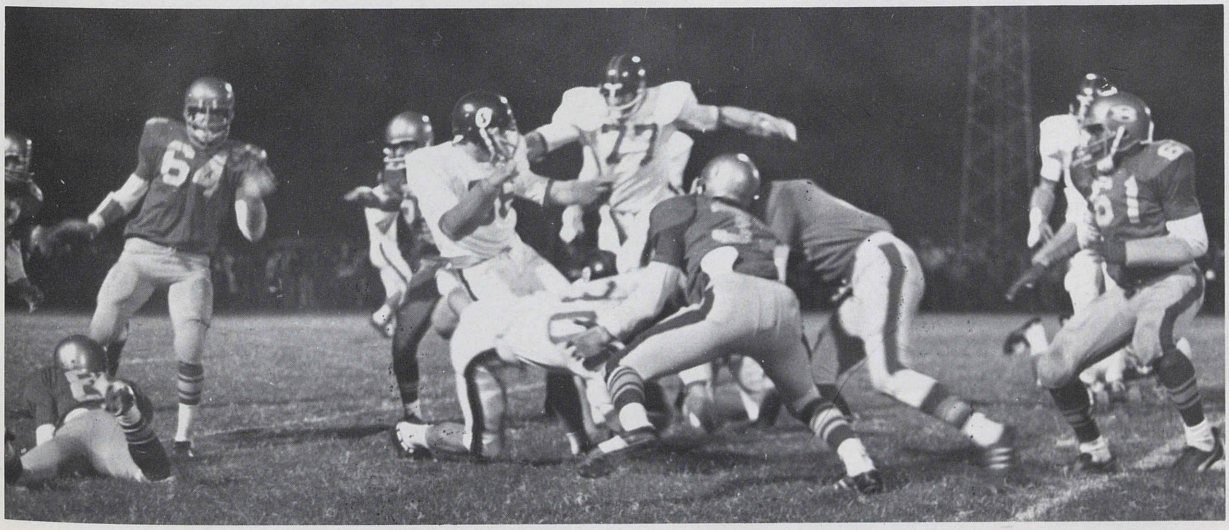


Top: David Worrel launches bomb against Kennedy.
Middle: Kill by Jimmy Oustalet, All Gulf Coast Conference defensive back.
Bottom: Another extra point attempt on its way against Kennedy.

Rocks vs Bay High

For the first time in recent years St. Stanislaus was defeated by Bay High 6-0. The Rocks displayed a punishing defense which intercepted four passes and recovered four fumbles while stopping the highly regarded rushing attack of Bay Hi. It appeared as if the Rocks would settle for a 0-0 tie, but late in the 4th period the Tigers began to move. With 39 seconds remaining, Bay Hi broke the scoreless tie and gave Stanislaus its fourth straight loss of the season.

Top: L. S. U. -bound, Jimmy Oustalet receives instructions from coach Pitalo on sideline. Middle: Another Bay High Player dropped for loss by Rocks. Bottom: Normand Cowand (30) stopped after gain by Bay High.



Rocks vs Long Beach

St. Stanislaus played their last conference game of the season against the Long Beach Bearcats and ended on a disappointing note. The Rocks led all the way until the 4th period where Stanislaus stumbled and fell to the Bearcats 16-13.

Rocks vs Rowan

St. Stanislaus finished its 1970 season with a hardfought loss to Rowan of Hattisburg by the score of 26-14. The Rocks courageously held the lead until the final period in which they were outscored 20 to 0.

S.S.C. Cagers Have Inconsistent Season 10-12

Inconsistency plagued the '70-'71 Rocka-chaw basketball team. After winning their first four games, the Rocks promptly lost the next five. Beginning their winning ways again, the Rocks took three straight, including the city championship. Senior Bob Hogan pumped in 20 points to lead the Rocks to victory in a 75-74 thriller over Bay High. The Rocks also defeated Bay High 72-62 later in the season to lay undisputed claim on the city basketball Championship.

Underclassmen Spark Varsity Quintet

Despite an inconsistent season some consistent standouts were Juniors Ted Schluter, Clifton Narcise, Mickey Koneiczka, and Chris Taylor. Not only will these young men be back next year but Coach Cuccaro can also look forward to the services of returning letterman Gerard. Lymuel. Gerard, though a freshman, started in every varsity game.

Band Fosters Pride and Promotes Spirit

The Saint Stanislaus Band, under the direction of Mr. Davis Williams, has promoted a desire among students to increase their knowledge and appreciation of music, and to give tirelessly of themselves in building school pride.

At football games the band entertained crowds with intricate marching formations and many enjoyable numbers. Two concerts were given by the stage band, members of which provided musical accompaniment for the school play My Fair Lady.

Encouraged by the example of President Jim Attaya, Vice President Ed Favre, and Sergeant-at-Arms David Johns, the band has done an excellent job of representing Stanislaus at numerous area and state band contests and clinics. Among these are the Lumberton Band Clinic, the Gulf Coast Band Clinic, and the State Band Festival.

The band has done an outstanding job of encouraging school spirit and increasing interest and appreciation of music here at SSC.

Scholars Achieve Academic Excellence

The National Honor Society has as its goal the development of scholarship, leadership, character, and service in each of its members. The Society engages in several activities to achieve these goals. The Honors and Leadership Banquet awards students with certificates of merit each spring. The Society is in charge of providing concessions at the annual school play. It produces a school calender and supplies the office with meaningful quotes for the end of announcements every day. The Society sends delegates to the Mississippi state convention of the Honor Society and closes out the school year with the induction of new members in an annual ceremony. The ultimate aim of the Society is for it to be an organization in which intelligent young men can reach a higher level of education by participating in the programs offered by the National Honor Society.

"My Fair Lady" Is Smashing Success

The students from St. Stanislaus and Bay Senior High combined their talents to produce a very successful presentation of George Bernard Shaw's "My Fair Lady."

The story concerns the fable of a Cockney flower girl who rises to the highest point of social circles by mending her diction. Lynn Phillips portrays Eliza Doolittle, the leading lady, who is tutored by Professor Higgins, played by Pierre Leger. Other main characters were played by David Cearnal, Melissa Lagarde, Kenny Kleinpeter, Buddy Zimmerman and Eileen Howe.

The play was produced by Mrs. Beverly Zimmerman and directed by Mr. Burt Barrett. The music was provided by members of the St. Stanislaus band, under the direction of Mr. H. Davis Williams.

Weight Lifting Club Develops Mind and Body

The Weightlifting Club, moderated by Mr. Bennet, provides many students with constructive afternoon activity. The club strives to develop character through self-confidence and mental and physical discipline. It sponsored the Senior Southern A. A. U. Mississippi Open Power Lift Meet and the Second Annual Sportsorama during the 1970-1971 school year.

The club is divided into four groups. Each group works-out three times a week after school. All exercises are done under the supervision of Br. Bennet, but he is assisted by Cecil and David Wiggins in other tasks connected with the Weightlifting Club.

Forensic League Developes Speech

Public speaking begins in the fifth grade at St. Stanislaus. Every Monday night students from the fifth grade to the eighth gather under the careful guidance of Mrs. Olive McKenna. Poems, short anecdotes, and public speeches are recited and repeated over until the renditions are deemed suitable for competition.

Students in the forensic league enter such contests as the Mississippi Gulf Coast Junior Forensic League meet, both district and regional. Some of the students in the league include: Jeff Thompson, Eric Miller, Cass Turregano, Steve Taquino, Joe Freia, Ronnie Blum, Charles Van Oppen, Mike Bryant, Blair Reppentine, Steve Scott, Eddie Mathews, and Jay Schilleci.

Confraternity Develops Spirit of Giving

The Confraternity of the Sacred Heart has undertaken several projects to assist the needy, such as distributing Thanksgiving baskets, giving a Christmas party for the mentally retarded, and later a beach party. At right, members are seen clearing the yard of an elderly Bay St. Louis resident.

Among the many Confraternity projects organized by Bro. William Frazier, moderator, was the Bay St. Louis Clean-up campaign, in which the members received a first place award for their efforts. Other projects included a beach clean-up and the building of easels for the local rehabilitation center.

Confraternity officers are left to right: C. J. Bordelon, Treasurer; Gary Dubroc, Secretary; Pierre Leger, Vice President; Ray Mouton, President.

Mass Servers Sacrifice Time and Energy

The Altar Servers are a group of devoted young students who assist the priests every morning and during the school Mass each Friday. The students spend many hours practicing the duties which they will perform on the altar. Their interest and effort has made the Mass run more smoothly. The group is under the supervision of Br. Melvin and meets every Tuesday night.

Students Plan Weekly Masses

The Liturgical Planning Committee is a group of dedicated students and faculty members concerned with the organization and presentation of the student Mass each Friday. The committee meets every Monday and decides upon the theme of the Mass for that following Friday. It then selects scriptural readings and music which conform to the theme. This is done in an effort to make the Mass more appealing to the student body.

L.W.A.S. Increases Interest in School Events

"Last Week at Stanislaus", an informative weekly production, provides the students with news about current school events. L.W.A.S. is presented to the students in a bulletin board format, complete with pictures and articles pertaining to campus activities. These articles cover such topics as sports, academics, extra curricular activities and honors and awards. Regular features include cartoons, short stories, and special pictures. L.W.A.S. is prepared each week under the guidance of Stephen Bartlett, the editor.

Loyola Prexy Will Deliver Graduation Talk

Rev. Harold A. Gaudin, S. J., Will Speak.

The Very Rev. Harold A. Gaudin, S. J., president of Loyola University of the South, New Orleans, will deliver the Graduation address at the Exercises of the Eighty-fourth Commencement to be held in the College Auditorium next Sunday, June 5.

Father Gaudin was born June 15, 1898 at New Orleans. He is the son of Mr. Felix A. Gaudin, D. D. S., K. S. G., and of Elsa Gertrude Gaudet. His early schooling was received in New Orleans at both St. Stephen's and St. Francis of Assisi parochial schools. During the period of 1913-1917 Father Gaudin enrolled at Jesuit High School, and studied there until he graduated in June, 1917. Almost immediately afterwards he decided to enter the religious life, and on August 24, 1917 he entered the Jesuit Novitiate, St. Stanislaus College, Macon, Georgia. He remained at his studies for the priesthood in this school until 1921. He then was shifted to Spokane, Washington, where he studied at Gonzaga University from 1921 until 1924. He received two degrees, an A. B., in June, 1923, and an M. A., in June, 1924. He returned to his high school alma mater, Jesuit High, of New Orleans, and taught there during the years 1924-1925, and then was moved to Springhill College, Mobile, Alabama, where he taught throughout 1925-1927.

He was ordained in 1930 by Archbishop Shaw in the Church of the Immaculate Conception in New Orleans. He then attended Weston College, Weston, Mass., and studied there until the year 1931. During the years 1931-'32 he was occupied with teaching in the English department of Loyola University in New Orleans, and launching in Logic and Ontology in St. Charles College of Loyola University (near Grand Coteau, Louisiana) during the summer of 1932. He was afterwards sent to Gregorian University in Rome, where in June 1935, after two years of intensive study he received his Ph. D., and D. D. degrees. He taught Political Science at Springhill College, Mobile, Alabama for the first semester during the year, 1936. On December 26,

PRESIDENT COMPLETES TERM

Brother William, S. C., who ends a six-year term with this school year.

BROTHER WILLIAM COMPLETES SUCCESSFUL SIX-YEAR TERM AS PRESIDENT OF STANISLAUS

Will Receive New Appointment During Vacation Period And Successor Named.

Brother William, S. C., president of St. Stanislaus College for the past six years, will bring his successful labors as head of this institution to a close when he presents the diplomas to this year's graduates next Sunday morning.

Coming from St. Joseph's College, Muskogee, Oklahoma, Brother William assumed the guidance of the destinies of St. Stanislaus in August of 1932. The South was just beginning to feel the Depression and the opening of school that September was one of the most discouraging that could have been experienced by the head of a school. Upon that came the Bank closings of the following March and the retirement of credit, which forced many parents to retain their boys at home. But in spite of these discouragements, Brother William went manfully to work to raise the mor-

Brother Peter Pays Short Visit To St. Stanislaus

Gives Inspiring Talk To Senior Class.

Brother Peter, former president of St. Stanislaus College and at present, principal of the Catholic High School in Baton Rouge, paid a short visit to the school Sunday and Monday, May 15 and 16. Before leaving he honored the senior class with his hearty presence and a very inspiring talk.

Brother Peter was greeted cordially by many of the boys now in the graduating class, who were in school here during the last year or two of

Bishop Of Natchez Addresses Members Of Senior Class

Regrets Not Being Able To Attend Graduation.

Monday morning, May 16, the Most Reverend R. O. Gerow, D. D. Bishop of Natchez, paid the Senior class a visit, addressing them on their duties as Catholic laymen and youths about to enter the world.

Bishop Gerow was visited the previous night by a delegation from the Senior class to inquire as to whether he would be able to be present at the graduation exercises, to be held here June 5th. The Bishop received the boys warmly,

Twenty-Nine To Receive Diplomas Next Sunday, June 5

Exercises Will Be Held in College Gym at 11 A. M.

Twenty-nine young men will receive diplomas of graduation from the hands of Brother William, president, next Sunday morning, June 5, during the Exercises of the Eighty-fourth Annual Commencement. The exercises will be held in the College Gym beginning at 11:00 A. M. The program will include several songs by the Glee Club, selections by the College Band, Speeches by Julio Mijares, Lee Grevemberg and Very Rev. Harold A. Gaudin, S. J., and the awarding of diplomas and medals.

Of this class, nineteen plan to enter college or a university next September; the others plan to find employment as soon as possible and begin to earn their own way. Of the nineteen going to college, six plan to matriculate at Loyola University in New Orleans; five are going to Springhill at Mobile; two each will enter Tulane, Louisiana State, and Old Miss at Oxford; Mississippi State will claim one and Auburn another.

A little sketch of each of the graduates follows:

LAWRENCE C. BARBER

Larry Barber comes from New Orleans and has been at St. Stanislaus for eight years. He is seventeen years old, likes good music and dancing (with Elsie), but heartily dislikes being campused. His pet expression is "Hot Dawg!"; his hobby, to perform card tricks at which he has become quite adept; has been a member of the Sodality for six years, an altar boy seven years and was on the Rock-A-Chaw staff this past year. He has participated in football three years, basketball two years, and soft ball two years. His ambition is to own all the shipping companies in New York. Next year he will attend college.

JAMES R. CURRIE

Jimmie Currie, sometimes called "Piffle," popular Pass Christian day scholar, is seventeen years of age, and has been one of the leaders of his class for the past seven years. Jimmie is a notable flute player and has played in the band with distinction for six years. His pet words are "Oh, Joy, O Bliss, O Happiness!" He likes wine, women and song! (Whew! what a combination).

WELCOME ALUMNI AND FRIENDS TO SAINT STANISLAUS

JAMES BRYAN ELECTED PREFECT OF STANISLAUS SODALITY FOR THIS YEAR

Dominick di Benedetto, David Assaf and Arthur Gianelloni Fill Other Offices.

The St. Stanislaus Sodality now reorganization last Saturday, September 30, when the four main officers who are to lead the society for the the present scholastic year were elected. James Bryan, Dominick di Benedetto, David Assaf and Arthur Gianelloni were elected to the offices of president, vice-president, secretary and treasurer, respectively.

Brother Anselm, Moderator of the Sodality, expressed his opinion of the officers as: "If the elections had been left up to me, I would not have chosen any other sodalists but these four to lead the Sodality for this year."

Of last year's staff of officers only David Assaf remains. James Bryan was outstanding in the Campaign Against Indecent Literature last year, while Arthur Gianelloni was chairman of the Catholic Students' Mission Crusade.

James Bryan is an active sodalist. He has been a member of the sodality for three years. He is president of the Junior Class and occupied the same position in his Freshman year. A day-student and resident of Bay St. Louis, Bryan has attended St. Stanislaus for seven years and has been a member of the band for three years. He is an Honor Roll student and a credit to his class.

The next officer, Dominick di Benedetto is a newcomer to the ranks of officer. Di Benedetto has seen plenty of action in sodality work and is a good student. He has attended St. Stanislaus for eight years and, like Bryan, is a day-student and resident of Bay St. Louis. Dominick was treasurer of the junior class last year. He will graduate in June.

David Assaf, completing his sixth year at St. Stanislaus comes from Tela, Honduras. The position of secretary is not new to him, since

LARGE NUMBER OF LIBRARY BOOKS REPAIRED.

During the past week, a large number of library books were repaired. The repairs consisted in covering, shellacking and wherever necessary reconditioning the inside pages.

Brother Anselm, librarian, intends to open the library early next week. Students who wish to make use of the books will be able to enjoy the pleasures of reading as soon as everything is straightened out. At present the library is open to anyone desiring to do research work or any other kind of class work, but no books may be drawn out as yet.

Every year around this time, the library undergoes many repairs and the entire set of supplies is placed in condition for the pleasure and comfort of the students. Since fiction is the only type of literature which may be drawn from the library, naturally, most of the reconditioning was centered on said type of literature.

Brother Anselm is also anxious to further his collection of insects and bugs for his little "museum" in the library. Those interested in entomology may find it interesting to help brother Anselm in his collection.

SIDELINES CLUB MET IN FIRST REGULAR MONTHLY MEETING, SEPTEMBER 25

Walter Gex Presides—Brother Peter And Coach Burge Speak.

The first meeting of the Sidelines Club for the year 1939-40 was held the evening of September 25, in the Saint Stanislaus gym. Walter Gex, president of the club, was the presiding officer.

Last year, the Sidelines Club had a membership of over seventy-five. This number included only active members of the club, not those who held honorary membership. Numbered among the latter were many who lived in other cities and were prevented from taking any active part in the organization. This year, each old member is taking upon himself to secure one new member for the club. Active membership expected to reach almost one hundred and fifty. Plans were discussed and tentative arrangements were made whereby Alumni and staunch boosters of St. Stanislaus who reside in places other than local could

account of the team in general, and spoke concerning the abilities of each of his players. He was, as coaches usually are, very pessimistic.

Brother Peter then addressed the meeting and placed a silver lining around the dark cloud that Mr. Burge had painted. In commenting on the current football prospects, Brother Peter made it clear that even though at first sight, things did look a little dismal, a situation caused by losses through graduation and the failure of several "key" men to return to school, he believed confidently that St. Stanislaus would put a representative team on the field. The reasons for his confidence, he explained, were his unwavering belief in the coaching ability of Mr. Burge and the spirit and enthusiasm displayed by the boys

EXTENDS WELCOME.

REV. BROTHER PETER.

THE PRESIDENT'S MESSAGE.

To Our Parents, Alumni and Friends:

Again, it is my pleasure to invite you to participate in the celebration of Homecoming and Dad's Day, Next Sunday, October 15th. This will be the fifteenth consecutive year that Saint Stanislaus has extended this invitation, and as the numbers of our Alumni and Student Body increase, we look forward to greater celebrations.

Parents, we want you to come to see your son on this day. We want you to meet your boy's companions and to meet the men to whose care you have entrusted the moral, religious and mental training of your son.

Alumni, we invite you to return to the scene of your happy schooldays—to roam the old campus again and to mingle with the companions of your carefree youth. We are interested in you. We have followed you through the years and you are always welcome here. Many of your old teachers are still here and will be glad to greet you.

The Sidelines Club, the Faculty and the Student Body have prepared an elaborate program for the day. We are putting forth all our efforts in the attempt to make this the greatest Homecoming ever.

The highlight of the day, naturally, will be the meeting of our Rockachaws with the St. Aloysius Crusaders of New Orleans. This team is one of our oldest rivals, and this year, above all others, a real contest is looked forward to. One of our Alumni, Harry "Wop" Glover is now coaching the Crusaders.

LARGE GATHERING OF GRADS EXPECTED FOR HOMECOMING DAY, SUNDAY, OCTOBER 15th

Elaborate Program Arranged to Fill Day of Joy and Fun.

The highlight of the football season for any school is always its Homecoming Day. St. Stanislaus has married Sunday, October 15, to the day for the celebration of dads' and grads' day. Believing silliness last year, the Rock-A-Chaws will meet the St. Aloysius Crusaders in the highlight of the day's activities.

This is the opportunity time the alumni, parents and friends of the student body in general, have looked forward to. Naturally a large crowd is expected to fill the campus with merry laughter. Bands of both schools will fill the air with lively tunes. Business men will forget the cares and worries of the business office. All will join with but one purpose in mind: to go home saying that they have had the best time of their lives.

Brother Peter has arranged a very elaborate program for the day. Of course, the first thing that the visitors will do upon arriving Sunday morning will be to register. The registration booth will be situated in the hallway by the office of the President. Following the registration, there will be a general assembly of both the alumni and parents at eleven o'clock. The different classes of graduates will meet in assigned classrooms of the school. This is for the purpose of remembering and renewing old friendships with their fellow-graduates. A Barbecue lunch will be served at noon. The two teams will meet at 2:30 p. m. in the St. Stanislaus stadium. Before the game, the two bands will march in parade leading the crowds to the football field.

Circulars have been sent to the alumni and parents of the students. They contain the general information for the day's activities. Last year's Homecoming Day was the most successful affair of this nature in many years. Brother Peter, when asked what he thought of the program he had arranged last year, he said, "It is the best program we've had in a long time." He can practically say the same for this year, since the program is very much like last season's Homecoming Day.

CSSU WILL MEET IN PASCAGOULA ON OCTOBER 19.

The first monthly meeting of the Coast Student Sodality Union will be held in Pascagoula, Mississippi on Thursday, October 19, at 4:00 o'clock p. m. The announcement was made by Brother Anselm, Moderator of the St. Stanislaus Sodality and of the Union.

The Union of Coast Sodalities was started by Brother Edmund eight years ago. It was then a Union of High School and Parish Sodalities. It went on in this manner for a period of five years, and then it was discontinued. Through the efforts of Brother Anselm, His Excellency, Bishop Gerow, D. D. of Natchez, finally granted the necessary consent to reorganize the Union. However, it is no longer a combined unit of Parish and High School Sodalities.

The officers of the CSSU are: Miss Verna Krebbs, of Our Lady of Victories School of Pascagoula, is president. Miss Joyce Becker, St. Joseph's Academy, Bay St. Louis, is vice-president. David Assaf, St. Stanislaus, is Corresponding Secretary. Miss Irma Rodrigues, St. Francis de Sales, Gulfport, Recording Secretary; and Miss Enlalie Colbert Sacred Heart Academy, Biloxi occupies the position of Treasurer. Other schools which are members of the Union, but do not have a representative officer, are: St. John's School, Biloxi and St. Joseph's Academy, Pass Christian.

The Union did exceptionally well last year in the Crusade Against Indecent Literature. Many of the stores selling filth in print were approached and asked to cooperate with the drive.

FORDHAM RAMS WILL STOP AT SAINT STANISLAUS EN ROUTE TO NEW ORLEANS

Team Expected to Arrive Early Friday Morning October 13.

Once again, St. Stanislaus will play host to one of the leading Catholic football teams in the country. For two years the Santa Clara Broncos made St. Stanislaus their stopping-off place on their way to participate in the Sugar Bowl Classic in New Orleans. Last year, it was the Skibos of Carnegie Tech who spent the week previous to the Sugar Bowl game in Bay St. Louis. And now it is the Fordham Rams. The team will arrive in Bay St. Louis early on Friday morning, the 13th., and will work out on the St.

For the past several years, Fordham has been recognized as one of the leading football powers in the country. Last year they lost only to the powerful Pittsburg team, and this year they are heralded as the team to beat for mythical national championship. The Rams are also coached by Sleepy Jim Crowley of Four Horsemen fame, and have, Eshmont and Blumstock, two backs who are rated on a par with any in the country. Last year, Eshmont was the leading ground-gainer in

JUNIOR-SENIOR PROM ACCLAIMED SUCCESS BY ALL PARTICIPANTS

Azure Room Setting Was Theme Of Decorative Scheme —Dance Climaxed Social Season Here

In keeping with the traditional custom at St. Stanislaus the Juniors made an overwhelming success of their preparation for this year's Prom which was held Saturday night, May 13. Taking everything into consideration the Prom was one of the finest ever staged. The Juniors were real hosts to the members of the Senior graduating class.

The "Azure Room" was resplendent with artistic trimmings. The ceiling was fashioned to give the effect of gracefully billowing clouds. The walls were tastefully draped with soft shades of light blue, and the cane railed elevated tables produced the effect of a night club. These were separated from the dance floor by avenues of palm trees. With the sombre blue lighting effect and the enchanting music of Charlie Bourgeois coming from the beautifully decorated dome it is no wonder that the dancers thrilled to the occasion.

The Seniors were thoroughly surprised by the unique appearance of the Azure Room, and one and all were loud in their acclamations. The President congratulated the Juniors on their superb taste and referred to this year's Prom as one of the best. All in all, the gala social event was a huge success and a grand tribute to the members of the Junior division who worked so hard to make it materialize.

COMMANDER HOWARD GILMORE SCHOLARSHIP

Are you looking for the opportunity to do a big share for our fighting men! . . . A chance for real dividends where dividends count?

Saint Stanislaus announces the foundation of A Scholarship Burse to provide a complete education to a Son of one Who Died for our Country.

The first Burse that may be one of many to come will be known as THE COMMANDER HOWARD GILMORE SCHOLARSHIP. Any contributions large or small will help. Every cent will go to the education at Saint Stanislaus of a son of one who died in this war.

Commander Howard Gilmore in whose honor this first burse will be named was the Hero, who ordered his sub down, that his men might be saved. He lost his life but saved the sub and the crew.

The Method of Awarding this scholarship will be announced later. It must go to a boy whose father DIED IN SERVICE.

We plan to start at once. Your contribution is a deductible item in Federal Income Tax returns.

Proper incorporation of the First Fund will be made as plans develop. Please address all correspondence to Brother Peter, Saint Stanislaus, Bay St. Louis, Mississippi.

Since the publication of the above plan in the previous issue of the Rock-A-Chaw, the following contributions to the fund were received: Mr. Carmelo Vaccaro of Forrest City, Arkansas—$100.00; Mr. R. SALUTATORIAN

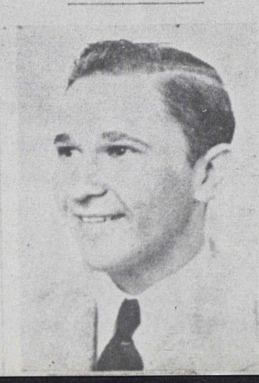
WILLIAM LANDRY

William Landry, salutatorian of the Class of 1944, entered St. Stanislaus in 1938. His present home is in New Orleans; however, he resided for some time in South America. William is a brilliant student and during his high school career established the fine average of 96.3 per cent.

Bill is a quiet, retired individual but friendly and cooperative at all times. His hobby is photography. To him and to his close friend Jimmie Carter is due the thanks of the Rock-A-Chaw Staff for the many pictures appearing in this year's paper. Bill has participated in the various extra-curricular activities during his six years at St. Stanislaus. He was a member of the Rock-A-Chaw Staff and Sodality.

Being particularly interested in engineering and kindred subjects, William will probably pursue higher studies along these lines as soon as world conditions permit. At present his immediate future is uncertain owing to the insistent demands of Uncle Sam. We take this opportunity of wishing him the very best success in the future.



THE PRESIDENT'S MESSAGE

To the Members of Class of 1944 of Saint Stanislaus:
Gentlemen:

I am happy to admit you to the select body of men who have been awarded the Coveted Saint Stanislaus Diploma.

Your Class has made an enviable record and will long be remembered here at your Alma Mater.

Your leadership and example have been a source of inspiration to the other students, and you have contributed materially to their improvement and to the excellent spirit that prevails here.

Keep the Faith and Loyalty that you have learned here and you will always be true to yourself and to God.
To Our Parents:

Sincere thanks for the splendid co-operation you have given through the years. Your confidence in entrusting your sons to us, is the highest tribute you could have paid us. We are returning your sons to you. We believe that they will show proper appreciation for the grand opportunity that you have given them. Their goodness and success will be your reward.

Three Members Of Class '44 Graduated At Mid-Term

The three gentlemen whose pictures appear in this group completed their high school course last February. All of them anticipated the call of Uncle Sam and took the necessary steps last summer to finish at mid-term by accelerating their program of studies.

THIRTY-TWO SENIORS TO RECEIVE DIPLOMAS ON SUNDAY, MAY 28th

Splendid Group Hailed As Honor Class At Completion Of Ninetieth Session At St. Stanislaus

VALEDICTORIAN

JAMES CARTER

James Carter, Valedictorian of the Class of 1944, came to St. Stanislaus as a sophomore. Although originally from New York, he is now a resident of New Orleans, Louisiana. Jimmie has led his class scholastically during his three years stay here and had attained by the last calculation the high average of 98.3 per cent for his high school career. As a consequence he automatically received the honor of delievering the farewell address.

Jimmie is a very likeable personality, pleasant and witty at all times. He is a natural leader and was honored by the senior class as one of the Class Officers. Participating in most extra-curricular activities, Jimmie has especially won distinction as an editorial writer for the Rock-A-Chaw. He also contributed to the Senior discussions appearing in this year's publication and which have stirred considerable favorable comment.

With the earnest desire of turning his remarkable talents to splendid use, Jimmie will pursue studies leading to a professional career. We wish to express our best wishes for his continued success.

On Sunday morning, May 28, at eleven o'clock the ninetieth annual Commencement Exercises at St. Stanislaus will be underway with all its glamour as the Senior Class of 1944 terminates twelve years of preparatory schooling. Thirty-two graduates garbed in the traditional cap and gown will march in revue to the stage in anticipation of the coveted honors bestowed only upon those who have persevered to the end.

Thus for nearly a century has St. Stanislaus liberated into the world of affairs classes of gentlemen. This year's group of potential leaders has made a profound impression on the entire faculty as one of the outstanding honor classes of all time. For all-around scholastic achievements and personality performance they rank on a par with any previous class. Their record during the past year speaks for itself.

Early in September four dependable and outstanding students were chosen unanimously to serve as the inspirational leaders throughout the ensuing year. Their one ambition was to forge an united class devoted solely to the betterment of themselves and their understudies, the student body of St. Stanislaus. Now they take pride in the flattering approbation which the excellent achievements of the past nine months of manly effort has earned for them. Sincerity, Sportsmanship and Courtesy are distinctively characteristic of the entire class.

In the Mission Drive the Seniors were outstanding in sponsoring various activities to raise additional funds for that worthy enterprise. Always stirring extreme enthusiasm among their fellow students, they urgently appealed to one and all to back to the limit the splendid work done on the mission field. Due partly to their example the largest sum ever collected in the history of St. Stanislaus resulted. The Seniors were also leaders in the Red Cross

REV. C. L. BAKER, S. V. D. TO ADDRESS SENIORS AT COMMENCEMENT

The authorities at Saint Stanislaus have been very fortunate in securing Rev. Father Christian L. Baker, S. V. D., as speaker at the Graduating exercises. Father Baker is Vice-Rector at the St. Augustine Seminary here in Bay St. Louis, Mississippi.

Father Baker is well-known to most of the day scholars as he has been stationed at the local seminary for the past ten years or so. He is a very genial and pleasant priest whose educational experience should command the respect of the graduating class in the message he will deliver to them.

The St. Augustine Seminary is the only foundation for the training of colored priests in the entire United States. Several young men have risen among the colored have already obtained to the priesthood as a result of the splendid training given there. The Society of the Divine Word is to be congratulated on their magnificent accomplishments.
